English As A Second Language (ESL) Instructions Migrant Education Program-Summer Application

All children who are to receive ESL instruction as described on this page should be entered here. District and Building names are prefilled. Return to the District Information page to make edits.

Use the previous application year's information to fill numbers to be served as documented in CNAPS. (If you have nothing to fill in and are planning on providing ESL instruction, return to the Needs Assessment tab and check the reading instruction box.)
